There was submitted a report (issued) of 2 June 2021 by the Assistant Chief Executive recommending the Committee approve the award of a number of subsidised local bus service contracts relating to services operating in East Renfrewshire and Glasgow City council areas.

Having considered the report and having heard from Mr Dickson and Mrs Davidson on the need to award promptly to ensure no break in service and allow the Traffic Commissioner registration process to take place, the Chair and Vice Chairs agreed the award of the contracts detailed in Appendix 1 of the report.
