Report by Assistant Chief Executive

1. Object of report

To recommend the Committee note the requests received for subsidised local bus services and approves the recommended actions.

2. Background

(a) To operate subsidised service M2 on Sundays to provide a link via Prospecthill Circus, Toryglen **Recommend:** No Action. Existing provision in the area meets SPT Guideline Criteria. However, Prospecthill Circus is presently a Transformational Regeneration Area (TRA), including planned new housing. Upon completion of the TRA, SPT will reassess against Guideline Criteria. As with any redevelopment of this nature, SPT will endeavour to investigate options in relation to the securing of funding from the developers. It is however appropriate to highlight that there are currently no planning conditions in relation to providing enhanced local transport provision in the area.
